DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 8 March 2005 has been entered. Claims 1-3, 8, 10-12, and 17 are pending.

Drawings

2. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because Applicant's formal drawings filed 20 November 2001 apparently failed to fit within the paper size and/or margins required by 37 CFR §1.84 (f) and (g), and consequently, Figures 2 and 4 are cut off and incomplete. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application.

Allowable Subject Matter

3. Claims 1-3, 8, 10-12, and 17 are allowed.
4. The following is an examiner's statement of reasons for allowance:

Art Unit: 2192

Claims 1 and 10 necessarily require, *inter alia*, the following:

- 1) the pre-purchased software to be installed during manufacture (see the limitations in lines 4-6 of claim 1 and lines 4-6 of claim 10),
- 2) the “corresponding file” (claim 1, line 26; claim 10, line 26) to be generated prior to the user selecting the WBI icon and containing a list of the pre-purchased software as well as a list of other software not pre-purchased,
- 3) the system ID being determined during manufacture, and
- 4) the system ID being automatically transferred to the Internet boot facility (*i.e.*, a secure web page).

The prior art of record fails to expressly teach or fairly suggest these required features in combination with the remaining booting, selecting, payment, and downloading features recited in claims 1 and 10.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
